Dear Valued Customers,

Welcome to the Auberge du Barrez, where a commitment to environmental stewardship and authenticity is woven into our daily operations. Sustainable development has consistently been a central focus of our hotel's strategic priorities.

Together, we aspire to effect change through straightforward yet vital actions for our planet and for future generations.

**TOGETHER, LET US CONSERVE NATURE
AND OUR BEAUTIFUL REGION!**

ENHANCING AWARENESS AMONG OUR TEAMS AND PARTNERS:

- Our team is trained in environmentally responsible practices to incorporate sustainable actions into their daily routines. We partner
- with local suppliers and service providers who align with our ecological and ethical values. We offer guests sustainable mobility
- solutions, including electric bike rentals, information on public transportation and carpooling, as well as the locations of charging stations near our establishment.

WATER AND ENERGY CONSERVATION:

- Installing flow reducers on faucets and showers to decrease consumption while maintaining comfort. Providing the option to reuse
- bathroom linens during extended stays. Consistently monitoring our water and energy usage to enhance efficiency.
- Lighting in its entirety team d'ampoules LED h weak Consumption. Presence detectors in communal areas to prevent
- waste. Enhanced insulation: our rooms feature double glazing and a centralized energy management system.

WASTE MANAGEMENT:

- Implementation of refillable dispensers for hygiene products to mitigate plastic waste.
- Effortless selective sorting in shared spaces.
- Recovery of recyclable materials: glass, paper, cardboard, batteries, and light bulbs.
- Total eradication of single-use tableware.

As a reminder:

- **red bin:** Paper, newspapers, directories, and brochures.
- **yellow bin:** All plastic, cardboard, and metal packaging.
- **Green bin:** All glass bottles and cans devoid of lids.

COMMITMENT TO YOUR WELL-BEING:

- Our breakfasts and meals highlight local, organic, and regionally sourced products. The cleaning agents employed are non-toxic and
- eco-certified, ensuring the protection of air quality and the well-being of all individuals. The use of bleach, detrimental to both health and
- the environment, is prohibited in our cleaning protocols. The entire establishment maintains a smoke-free policy, ensuring a healthy and
- enjoyable atmosphere.

YOU HAVE THE ABILITY TO TAKE ACTION

- Embrace a responsible approach by optimizing your water and electricity usage, promoting carpooling to minimize your carbon footprint, and safeguarding the locations you visit. Every action contributes to a positive impact on the environment and the well-being of all.

AND ALWAYS MORE FOR TOMORROW:

- We are dedicated to enhancing our practices daily to minimize our environmental impact. Should you have any suggestions, we would be eager to hear them.

Thank you for your contributions to our approach during
your visit.

TOGETHER, LET US SAFEGUARD OUR ENVIRONMENT!
